The goal is to exceed requirements of local legislation and reach the global standards, and thereby support clients' images and sourcing principles. Clearly demarcated emergency routes & exits, smoke & fire detectors, consciously designed working lay-outs ensure a safe workplace for workers. As per ISO requirements, instructions and warning signs are posted in highly visible places, inside the factory and in local language (Bangla). Moreover, usage of metal gloves in times of fabric cutting, needle guard in time of sewing and such similar procedures reduces significantly work-related accidents in Teen Age Modern Fashion Limited. Besides being safe, Teen Age Modern Fashion Limited workplace offers a congenial & supporting environment for all: managerial staffs and workers work in mutual cooperation and respect. Teen Age Modern Fashion Limited consciously puts effort to empower woman not only by just recruiting more women in workforce, rather by undertaking some assertive programs to train & promote women in the higher levels.

Merchandising Department

Teen Age Modern Fashion Ltd.

Our Merchandising Department consists of some young and energetic professionals. This dynamic team is led by a heavily experienced merchandising manager who has profound knowledge in procurement, product development, material sourcing, consumption, costing, booking, pattern and all other necessary technical knowledge. There are senior merchandisers, merchandisers, assistant merchandisers & trainee merchandisers who work coherently following a chain of command. The merchandisers deal with every individual orders independently in all aspects of logistic & technical requirements. They strictly follow the Time & Action plan set by merchandising manager. Knitting & Dying department is extensively related to this department on terms of fabric development, knitting-dying production, fabric, color, shade, construction and so on. Their activities are not limited to consumption, costing, booking & sampling only but also they are actively involved in production floors as well.
